**SUPPORTING STATEMENT  
STATEMENT OF FINANCIAL INTERESTS,  
REGIONAL FISHERY MANAGEMENT COUNCILS  
OMB CONTROL NO. 0648-0192**

**A. JUSTIFICATION**

**1. Explain the circumstances that make the collection of information necessary.**

The Magnuson-Stevens Fishery Conservation and Management Act authorizes the establishment of Regional Fishery Management Councils to exercise sound judgment in the stewardship of fishery resources through the preparation, monitoring, and revision of such plans under circumstances (a) which will enable the States, the fishing industry, consumer and environmental organizations, and other interested persons to participate in, and advise on, the establishment and administration of such plans, and (b) which take into account the social and economic needs of the States. Section 302(j) of the Act, requires that Council members and Executive Directors disclose their financial interests in any harvesting, processing, or marketing activity that is being, or will be, undertaken within any fishery over which the Council concerned has jurisdiction.

The Act further provides that a member shall not vote on a Council decision which would have a significant and predictable effect on such financial interest. A Council decision shall be considered to have a significant and predictable effect on a financial interest if there is a close causal link between the Council decision and an expected and substantially disproportionate benefit to the financial interest of the affected individual relative to the financial interest of other participants in the same gear type or sector of the fishery. However, an affected individual who is declared ineligible to vote on a Council action may participate in Council deliberations relating to the decision after notifying the Council of his/her recusal and identifying the financial interest that would be affected.

**2. Explain how, by whom, how frequently, and for what purpose the information will be used.**

The information is intended to inform the Secretary of Commerce (Secretary) and the public of potential council member's conflicts of interest. If this collection were not conducted, equivalent information would have to be collected before the Secretary could make new appointments to the councils, and before the members could vote on any matter in which they have a financial interest without violating the Magnuson-Stevens Act and conflict of interest laws.

Council nominees for appointment must provide and file a financial interest for as prescribed by the Secretary prior to the date of appointment. Seated Council members appointed by the Secretary, including the Tribal Government appointees, must file a financial interest form within 45 days of taking office, must file an update form at least annually, and must file an update of their statements within 30 days of a financial interest being acquired or substantially changed.

**3. Describe whether, and to what extent, the collection of information involves the use of automated, electronic, mechanical, or other technological techniques or other forms of information technology.**

When approved, the financial disclosure form will be made available to nominees and Council members on the NMFS, Sustainable Fisheries Office Homepage in PDF format for downloading.

**4. Describe efforts to identify duplication.**

NOAA has the sole authority to require this information. No duplication is possible.

**5. If the collection of information involves small businesses or other small entities, describe the methods used to minimize burden.**

This information collection will not have a significant impact on small businesses, organizations or government entities.

**6. Describe the consequences to the Federal program or policy activities if the collection is not conducted or is conducted less frequently.**

Failure to collect the information would increase the risk of members violating conflict of interest laws.

**7. Explain any special circumstances that require the collection to be conducted in a manner inconsistent with OMB guidelines.**

The collection is consistent with the OMB guidelines.

**8. Provide a copy of the PRA Federal Register notice that solicited public comments on the information collection prior to this submission. Summarize the public comments received in response to that notice and describe the actions taken by the agency in response to those comments. Describe the efforts to consult with persons outside the agency to obtain their views on the availability of data, frequency of collection, the clarity of instructions and recordkeeping, disclosure, or reporting format (if any), and on the data elements to be recorded, disclosed, or reported.**

A Federal Register Notice (copy attached) solicited public comment on this renewal. No comments were received.

**9. Explain any decisions to provide payments or gifts to respondents, other than remuneration of contractors or grantees.**

There will be no payments or gifts.

**10. Describe any assurance or confidentiality provided to respondents and the basis for assurance in statute, regulation, or agency policy.**

There is no assurance of confidentiality provided. The Statements will be retained by the Council, made available for public review at reasonable hours at the Council Office, and at each public hearing or public meeting.

**11. Provide additional justification for any questions of a sensitive nature, such as sexual behavior and attitudes, religious beliefs, and other matters that are commonly considered private.**

No sensitive questions are asked.

**12. Provide an estimate in hours of the burden of the collection of information.**

The estimated total number of respondents is 188, with an estimated response time of 35 minutes. It is estimated that at least 7 existing members will submit a revision during the year.

Totals: 188 respondents, 195 responses, and 110 hours

**13. Provide an estimate of the total annual cost burden to the respondents or record-keepers resulting from the collection.**

We estimate \$154 for copying and mailing costs.

**14. Provide estimates of annualized cost to the Federal government.**

The annualized cost to the Federal Government is estimated to be \$570 per year, including the cost of copying the form, mailing, and staff time.

**15. Explain the reasons for any program changes or adjustments reported in Items 13 or 14 of the OMB 83-I.**

The burden hours have been adjusted for a lower estimated number of respondents.

**16. For collections whose results will be published, outline the plans for tabulation and publication.**

The results will not be published.

**17. If seeking approval to not display the expiration date for OMB approval of the information collection, explain the reasons why display would be inappropriate.**

N/A.

**18. Explain each exception to the certification statement identified in Item 19 of the OMB 83-I.**

There are no exceptions.

**B. COLLECTIONS OF INFORMATION EMPLOYING STATISTICAL METHODS**

This collection does not use statistical methods.

## GENERAL PROVISIONS AND INSTRUCTIONS

### Authority to Require this Information

Pursuant to Section 302(j) of the Magnuson-Stevens Fishery Conservation and Management Act (Magnuson-Stevens Act) and the financial disclosure regulations at 50 C.F.R. 600.235, you are required to disclose your financial interests if you are nominated by the Governor of a State for appointment as a voting member of a Regional Fishery Management Council (Council), or if you are a voting member of a Council appointed by the Secretary of Commerce under Section 302(b)(2) or (b)(5) of the Magnuson-Stevens Act.

### Disclosure Requirements

On the attached form, list the financial interests held by yourself, your spouse, minor child, or partner, and any organization in which you are serving as an officer, director, trustee, general partner, or employee. The nature of your participation in each financial interest, such as ownership (percentage), directorship, employee, or contractor, must be identified. The information to be listed does not require a showing of the amount of financial interest. You must include a description, for each such activity, of the fisheries participated in, the product type produced, and, where applicable, the gear type utilized. For example, if you own a one-third interest in a fishing vessel, your response might be: ABC Co, 15 Main Street, Brunswick, Georgia 31521; commercial fishing vessel "Miss AMY," ID - 123456; South Atlantic swordfish fishery, fresh swordfish, rod and reel; one-third ownership; John and Mary Doe (self and spouse). In the event any of the required information, including holdings placed in trust, is not known to you but is known to another person, you should request that other person to submit the information on your behalf and should report such request in the section titled "Information Requested of Other Persons."

### Requests for Assistance or Additional Information

Refer to the financial disclosure regulations at 50 C.F.R. 600.235 for additional information. If you have any questions regarding the Statement of Financial Interests or related issues, please contact the Office of the Assistant General Counsel for Administration, U.S. Department of Commerce, 14th and Constitution Avenue, N.W., Room 5882, Washington, D.C. 20230, or telephone (202) 482-5384.

### Paperwork Reduction Act

Notwithstanding any other provision of law, no person is required to respond to nor shall a person be subject to a penalty for failure to comply with a collection of information subject to the requirements of the Paperwork Reduction Act unless that collection of information displays a currently valid OMB Control Number. The public reporting burden for this collection of information, on this NOAA Form 88-195, is estimated to average 35 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any aspect of this collection of information, including suggestions for reducing this burden to the National Marine Fisheries Service, Operations, Management and Information Office (F/OM), 1315 East-West Highway, SSMC #3, 14th floor, Silver Spring, Maryland 20910.

### Public Access to Information

The Statements will be retained by the Council, made available for public review at reasonable hours at the Council Office, and at each public hearing or public meeting.

**§ 600.230 Removal.**

[61 FR 32540, June 24, 1996, as amended at 63 FR 7073, Feb. 12, 1998]

**§ 600.235 Financial disclosure.**

(a) *Definitions.* For purposes of § 600.235:

*Affected individual* means an individual who is—

(1) Nominated by the Governor of a state or appointed by the Secretary of Commerce to serve as a voting member of a Council in accordance with section 302(b)(2) of the Magnuson-Stevens Act; or

(2) A representative of an Indian tribe appointed to the Pacific Council by the Secretary of Commerce under section 302(b)(5) of the Magnuson-Stevens Act who is not subject to disclosure and recusal requirements under the laws of an Indian tribal government.

*Council decision* means approval of a fishery management plan (FMP) or FMP amendment (including any proposed regulations); request for amendment to regulations implementing an FMP; finding that an emergency exists involving any fishery (including recommendations for responding to the emergency); and comments to the Secretary on FMPs or amendments developed by the Secretary. It does not include a vote by a committee of a Council.

*Designated official* means an attorney designated by the NOAA General Counsel.

*Financial interest in harvesting, processing, or marketing* (1) includes:

(i) Stock, equity, or other ownership interests in, or employment with, any company, business, fishing vessel, or other entity engaging in any harvesting, processing, or marketing activity in any fishery under the jurisdiction of the Council concerned;

(ii) Stock, equity, or other ownership interests in, or employment with, any company or other entity that provides equipment or other services essential to harvesting, processing, or marketing activities in any fishery under the jurisdiction of the Council concerned, such as a Chandler or a dock operation.

(iii) Employment with, or service as an officer, director, or trustee of, an association whose members include companies, vessels, or other entities engaged in harvesting, processing, or marketing activities, or companies or other entities providing services essential to harvesting, processing, or marketing activities in any fishery under the jurisdiction of the Council concerned; and

(iv) Employment with an entity providing consulting, legal, or representational services to any entity engaging in, or providing equipment or services essential to, harvesting, processing, or marketing activities in any fishery under the jurisdiction of the Council concerned, or to any association whose members include entities engaged in the activities described in paragraphs (1) (i) and (ii) of this definition;

(2) Does not include stock, equity, or other ownership interests in, or employment with, an entity engaging in advocacy on environmental issues or in scientific fisheries research in any fishery under the jurisdiction of the Council concerned, unless it is covered under paragraph (1) of this definition. A financial interest in such entities is covered by 18 U.S.C. 208, the Federal conflict-of-interest statute.

(b) *Reporting.* (1) The Magnuson-Stevens Act requires the disclosure by each affected individual of any financial interest in harvesting, processing, or marketing activity, and of any such financial interest of the affected individual's spouse, minor child, partner, or any organization (other than the Council) in which that individual is serving as an officer, director, trustee, partner, or employee. The information required to be reported must be disclosed on NOAA Form 88-195, "Statement of Financial Interests for Use by Voting Members and Nominees of Regional Fishery Management Councils" (Financial Interest Form), or such other form as the Secretary may prescribe.

(2) The Financial Interest Form must be filed by each nominee for Secretarial appointment with the Assistant Administrator by April 15 or, if nominated after March 15, 1 month after nomination by the Governor. A seated voting member appointed by the Secretary must file a Financial Interest Form with the Executive Director of the appropriate Council within 45 days of taking office; must file an update of his or her statement with the Executive Director of the appropriate Council within 30 days of the time any such financial interest is acquired or substantially changed by the affected individual or the affected individual's spouse, minor child, partner, or any or-

ganization (other than the Council) in which that individual is serving as an officer, director, trustee, partner, or employee; and must update his or her form annually and file that update with the Executive Director of the appropriate Council by February 1 of each year.

(3) The Executive Director must, in a timely manner, provide copies of the financial disclosure forms and all updates to the NMFS Regional Administrator for the geographic area concerned, the Regional Attorney who advises the Council, the Department of Commerce Assistant General Counsel for Administration, and the NMFS Office of Sustainable Fisheries. The completed financial interest forms will be kept on file in the office of the NMFS Regional Administrator for the geographic area concerned and at the Council offices, and will be made available for public inspection at such offices during normal office hours. In addition, the forms will be made available at each Council meeting or hearing.

(4) Councils must retain the disclosure form for each affected individual for at least 5 years after the expiration of that individual's last term.

(c) *Restrictions on voting.* (1) No affected individual may vote on any Council decision that would have a significant and predictable effect on a financial interest disclosed in his/her report filed under paragraph (b) of this section.

(2) As used in this section, a Council decision will be considered to have a "significant and predictable effect on a financial interest" if there is a close causal link between the decision and an expected and substantially disproportionate benefit to the financial interest in harvesting, processing, or marketing of any affected individual or the affected individual's spouse, minor child, partner, or any organization (other than the Council) in which that individual is serving as an officer, director, trustee, partner, or employee, relative to the financial interests of other participants in the same gear type or sector of the fishery. The relative financial interests of the affected individual and other participants will be determined with reference to the

most recent fishing year for which information is available. However, for fisheries in which IFQs are assigned, the percentage of IFQs assigned to the affected individual will be dispositive.

(3) “Expected and substantially disproportionate benefit” means a quantifiable positive or negative impact with regard to a matter likely to affect a fishery or sector of the fishery in which the affected individual has a significant interest, as indicated by:

(i) A greater than 10-percent interest in the total harvest of the fishery or sector of the fishery in question;

(ii) A greater than 10-percent interest in the marketing or processing of the total harvest of the fishery or sector of the fishery in question; or

(iii) Full or partial ownership of more than 10 percent of the vessels using the same gear type within the fishery or sector of the fishery in question.

(d) *Voluntary recusal.* An affected individual who believes that a Council decision would have a significant and predictable effect on that individual’s financial interest disclosed under paragraph (b) of this section may, at any time before a vote is taken, announce to the Council an intent not to vote on the decision.

(e) *Participation in deliberations.* Notwithstanding paragraph (c) of this section, an affected individual who is recused from voting under this section may participate in Council and committee deliberations relating to the decision, after notifying the Council of the voting recusal and identifying the financial interest that would be affected.

(f) *Requests for determination.* (1) At the request of an affected individual, the designated official shall determine for the record whether a Council decision would have a significant and predictable effect on that individual’s financial interest. The determination will be based upon a review of the information contained in the individual’s financial disclosure form and any other reliable and probative information provided in writing. All information considered will be made part of the public record for the decision. The affected individual may request a determination by notifying the designated official—

(i) Within a reasonable time before the Council meeting at which the Council decision will be made; or

(ii) During a Council meeting before a Council vote on the decision.

(2) The designated official may initiate a determination on the basis of—

(i) His or her knowledge of the fishery and the financial interests disclosed by an affected individual; or

(ii) Written and signed information received within a reasonable time before a Council meeting or, if the issue could not have been anticipated before the meeting, during a Council meeting before a Council vote on the decision.

(3) At the beginning of each Council meeting, or during a Council meeting at any time reliable and probative information is received, the designated official shall announce the receipt of information relevant to a determination concerning recusal, the nature of that information, and the identity of the submitter of such information.

(4) If the designated official determines that the affected individual may not vote, the individual may state for the record how he or she would have voted. A Council Chair may not allow such an individual to cast a vote.

(5) A reversal of a determination under paragraph (g) of this section may not be treated as cause for invalidation or reconsideration by the Secretary of a Council’s decision.

(g) *Review of determinations.* (1) Any Council member may file a written request to the NOAA General Counsel for review of the designated official’s determination. A request for review must be received within 10 days of the determination.

(2) A request must include a full statement in support of the review, including a concise statement as to why the Council’s decision did or did not have a significantly disproportionate benefit to the financial interest of the affected individual relative to the financial interests of other participants in the same gear type or sector of the fishery, and why the designated official’s determination should be reversed.

(3) If the request for review is from a Council member other than the affected individual whose vote is at issue, the requester must provide a copy of

the request to the affected individual at the same time it is submitted to the NOAA General Counsel. The affected individual may submit a response to the NOAA General Counsel within 10 days from the date of his/her receipt of the request for review.

(4) The NOAA General Counsel must complete the review and issue a decision within 30 days from the date of receipt of the request for review. The NOAA General Counsel will limit the review to the record before the designated official at the time of the determination, the request, and any response.

(h) *Exemption from other statutes.* The provisions of 18 U.S.C. 208 regarding conflicts of interest do not apply to an affected individual who is in compliance with the requirements of this section for filing a financial disclosure report.

(i) *Violations and penalties.* It is unlawful for an affected individual to knowingly and willfully fail to disclose, or to falsely disclose, any financial interest as required by this section, or to knowingly vote on a Council decision in violation of this section. In addition to the penalties applicable under § 600.735, a violation of this provision may result in removal of the affected individual from Council membership.

[63 FR 64185, Nov. 19, 1998]

#### **§ 600.240 Security assurances.**

(a) DOC/OS will issue security assurances to Council nominees and members following completion of background checks. Security assurances will be valid for 5 years from the date of issuance. A security assurance will not entitle the member to access classified data. In instances in which Council members may need to discuss, at closed meetings, materials classified for national security purposes, the agency or individual (e.g., DOS, USCG) providing such classified information will be responsible for ensuring that Council members and other attendees have the appropriate security clearances.

(b) Each nominee to a Council is required to complete a Certification of Status form ("form"). All nominees must certify, pursuant to the Foreign

Agents Registration Act of 1938, whether they serve as an agent of a foreign principal. Each nominee must certify, date, sign, and return the form with his or her completed nomination kit. Nominees will not be considered for appointment to a Council if they have not filed this form. Any nominee who currently is an agent of a foreign principal will not be eligible for appointment to a Council, and therefore should not be nominated by a Governor for appointment.

#### **§ 600.245 Council member compensation.**

(a) The obligatory and at-large voting members of each Council appointed under section 302(b)(1)(C) of the Magnuson-Stevens Act who are not employed by the Federal Government or any state or local government (i.e., any member who does not receive compensation from any such government for the period when performing duties as a Council member) shall receive compensation at 1.2 times the daily rate for a GS-15 (Step 1) of the General Schedule (without locality pay) when engaged in actual performance of duties as assigned by the Chair of the Council. Actual performance of duties, for the purposes of compensation, may include travel time.

(b) All voting Council members whose eligibility for compensation has been established in accordance with NOAA guidelines will be paid through the cooperative agreement as a direct line item on a contractual basis without deductions being made for Social Security or Federal and state income taxes. A report of compensation will be furnished each year by the member's Council to the proper Regional Program Officer, as required by the Internal Revenue Service. Such compensation may be paid on a full day's basis, whether in excess of 8 hours a day or less than 8 hours a day. The time is compensable where the individual member is required to expend a significant private effort that substantially disrupts the daily routine to the extent that a work day is lost to the member. "Homework" time in preparation for formal Council meetings is not compensable.

(6) At any time when a Council determines it appropriate to consider new information from a State or Federal agency or from a Council advisory body, the Council shall give comparable consideration to new information offered at that time by interested members of the public. Interested parties shall have a reasonable opportunity to respond to new data or information before the Council takes final action on conservation and management measures.

(A) the term "affected individual" means an individual who--

(i) is nominated by the Governor of a State for appointment as a voting member of a Council in accordance with subsection (b)(2); or

(ii) is a voting member of a Council appointed--

(1) under subsection (b)(2); or

(II) under subsection (b)(5) who is not subject to disclosure and recusal requirements under the laws of an Indian tribal government; and

(B) the term "designated official" means a person with expertise in Federal conflict-of-interest requirements who is designated by the Secretary, in consultation with the Council, to attend Council meetings and make determinations under paragraph

(7)(B).

(2) Each affected individual must disclose any financial interest held by--

(A) that individual;

(B) the spouse, minor child, or partner of that individual; and

(C) any organization (other than the Council) in which that individual is serving as an officer, director, trustee, partner, or employee;  
in any harvesting, processing, or marketing activity that is being, or will be, undertaken within any fishery over which the Council concerned has jurisdiction.

**104-297**

(3) The disclosure required under paragraph (2) shall be made--

(A) in the case of an affected individual referred to in paragraph (1)(A)(i), before appointment by the Secretary; and

(B) in the case of an affected individual referred to in paragraph (1)(A)(ii), within 45 days of taking office.

**104-297**

(4) An affected individual referred to in paragraph (1)(A)(ii) must update his or her disclosure form at any time any such financial interest is acquired, or substantially changed, by any person referred to in paragraph (2)(A), (B), or (C).

**104-297**

- (5) The financial interest disclosures required by this subsection shall--
- (A) be made on such forms, in accordance with such procedures, and at such times, as the Secretary shall by regulation prescribe;

**104-297**

(7) (A) After the effective date of regulations promulgated under subparagraph (F) of this paragraph, an affected individual required to disclose a financial interest under paragraph (2) shall not vote on a Council decision which would have a significant and predictable effect on such financial interest. A Council decision shall be considered to have a significant and predictable effect on a financial interest if there is a close causal link between the Council decision and an expected and substantially disproportionate benefit to the financial interest of the affected individual relative to the financial interests of other participants in the same gear type or sector of the fishery. An affected individual who may not vote may participate in Council deliberations relating to the decision after notifying the Council of the voting recusal and identifying the financial interest that would be affected.

(B) At the request of an affected individual, or upon the initiative of the appropriate designated official, the designated official shall make a determination for the record whether a Council decision would have a significant and predictable effect on a financial interest.

(C) Any Council member may submit a written request to the Secretary to review any determination by the designated official under subparagraph (B) within 10 days of such determination. Such review shall be completed within 30 days of receipt of the request.

(D) Any affected individual who does not vote in a Council decision in accordance with this subsection may state for the record how he or she would have voted on such decision if he or she had voted.

(E) If the Council makes a decision before the Secretary has reviewed a determination under subparagraph (C), the eventual ruling may not be treated as cause for the invalidation or reconsideration by the Secretary of such decision.

(F) The Secretary, in consultation with the Councils and by not later than one year from the date of enactment of the Sustainable Fisheries Act, shall promulgate regulations which prohibit an affected individual from voting in accordance with subparagraph (A), and which allow for the making of determinations under subparagraphs (B) and (C).

**104-297**

(8) Section 208 of title 18, United States Code, does not apply to an affected individual referred to in paragraph (1)(A)(ii) during any time in which that individual is in compliance with the regulations prescribed under paragraph (5).

#### SUPPLEMENTARY INFORMATION:

##### I. Abstract

The Magnuson-Stevens Fishery Conservation and Management Act authorizes the establishment of Regional Fishery Management Councils to exercise sound judgment in the stewardship of fishery resources through the preparation, monitoring, and revision of such plans under circumstances (a) which will enable the States, the fishing industry, consumer and environmental organizations, and other interested persons to participate in, and advise on, the establishment and administration of such plans, and (b) which take into account the social and economic needs of the States. Section 302(j) of the Act requires that Council members appointed in accordance with Section 302 (b)(2) and Section 302 (b)(5) who are not subject to disclosure and recusal laws of an Indian Tribal Government disclose their financial interests in any Council fishery. These interests include harvesting, processing, or marketing activity that is being, or will be, undertaken within any fishery over which the Council concerned has jurisdiction.

A member required to disclose a financial interest shall not vote on a Council decision which would have a significant and predictable effect on such financial interest. A Council decision shall be considered to have a significant and predictable effect on a financial interest if there is a close causal link between the Council decision and an expected and substantially disproportionate benefit to the financial interest of the affected individual relative to the financial interest of other participants in the same gear type or sector of the fishery. An affected individual who may not vote may participate in Council deliberations relating to the decision after notifying

the Council of the voting recusal and identifying the financial interest that would be affected.

##### II. Method of Collection

Respondents submit paper forms. With the exception of the Tribal Government nominees, Council nominees for appointment must provide and file a financial interest form as prescribed by the Secretary prior to the date of appointment. Seated Council members appointed by the Secretary, including the Tribal Government appointees, must file a financial interest form within 45 days of taking office and must file an update of their statements within 30 days of the time any such financial interest is acquired or substantially changed.
